Sarah:

I referred this to LADOT, but perhaps you can refer it to the ECI since it's now hazardous material?

Thank you,

Gaby

Hello Yolanda:

We have a burned RV parked at 675 118th Street, in front of Bel-Vue Presbyterian Church in Watts. A local neighbor called it into LADOT three months ago, however, it has yet to be taken away. With the heavy rains, the debris is washing into the street and drains, creating a greater public health concern.

Can you please have it assigned to an officer and scheduling for towing?

Thank you,

Gaby
